STONEVILLE MAN ASKS FOR A LUCKY TICKET AND WINS A HARLEY-DAVIDSON® FAT BOY® MOTORCYCLE

RALEIGH-Richard Southern of Stoneville said, "Give me the lucky one," when he purchased three Harley-Davidson® instant scratch-off tickets from the Mayodan Marathon on Second Avenue in Mayodan. The second ticket he scratched off turned out to be lucky indeed—it revealed that he was the winner of a Harley-Davidson® Fat Boy® motorcycle!

Southern says he usually buys the tic tac toe-themed instant scratch-off games, but the store was sold out at the time so he decided to buy the Harley-Davidson® ticket. Southern says he has one motorcycle and used to ride in charity runs for Kyle Petty Racing.

"I called some of my buddies I used to ride with to tell them I won a Harley, and they didn't believe me," he said.

Southern today received his new motorcycle at an event at Harley-Davidson® of Greensboro. He says he looks forward to riding it and showing it to those disbelieving friends.

Three other 2008 Harley-Davidson® Fat Boy® motorcycles were won by players in Deep Run, Southern Pines and Williamston. Players can win one of two additional motorcycles by entering non-winning Harley-Davidson® tickets into any of the two remaining second-chance drawings. The deadlines for entries for the next two drawings are June 3 and June 24. The drawings for those entries will be held June 10 and July 1. Players may enter as many non-winning tickets as they want.

More details and the rules of the game are available on the How to Play brochure available at retail locations and can be viewed on the NCEL Web site at www.nc-educationlottery.org.
